INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

My name is Catherine Pierce. I live at 22 16 Bradley St.,
Atlanta Ga. I was born in 1855 in Gwinett County, Ga. I claim
Indian blood through my mother and her mother and father. I made
a mistake, I was born in Case County. My mother died in 1890,
and was about 87 years old. She was born in S. C., right close
to Greenville, I don't remember the County. I think my mother's
father and mother came from Va. I think my grandfather came from
Va., but I think my grandmother came from S. C. My mother was
recognized as a white woman. My grandparents were recognized as
white people, with Indian blood. I heard my mother and grandmother
say they lived with the Indians here in Ga. up to the time they
(the Indians) were sent away from here. My mother and my grand-
parents came here from S. C. I heard they did not have enough
Indian blood in them to be sent away with the Indians. I don't
know whether my grandfather, Benjamin Harris, owned land here
when the Indians were sent away. I never heard of my mother
or my grandparents getting any money or land from the Government
on account of their Indian blood. ~~XXXXXXXXXXXXXXXXXXXX~~

My name is Arminda C. Cronie. I live in DeKalb Co., Ga. I was born in Cobb County in 1844. I have always been taught that I am connected with the Cherokee tribe of Indians through my father and mother. I claim through my father's mother, and my mother's father. My father died in 1882, and was 75 years old. My mother died in 1899 and was 92 years old when she died. My mother was born in Oglethorpe Co. Ga., my father was born in S. C., I don't know what part. My father and mother lived with the white people, and had Indians around them. Papa worked with the Indians in Cherokee County, Ga., I think. It might have been in N. C. They lived in this country where the Indians were. I don't know why they were not taken away when the Indians were taken away. My father owned land here all his life, and my father's father owned land here. My father owned land in DeKalb Co. Ga. and my grandfather owned land in the same place. I think my grandfather owned land here when my father was a small boy. My father and his father never got any money or land from the Government on account of their Indian blood. I never heard of my mother or her mother getting any money or land from the Government on account of their Indian blood. I think my father was enrolled. I don't know when it was, or where it was. My uncle John Harris was drawing money from the Indian Nation when he died. He died in Alabama. In 1851 my father, mother and I were living in DeKalb County, Ga. In 1882 we were living in the same place. I don't know why we were not enrolled in 1851 and 1882. I never heard my father or mother speak of a Treaty the ~~Indi~~ Government made with the Indians in 1835.

My residence in the Year 1882 was

Martha M. Medders, being first duly sworn, deposes
and says:

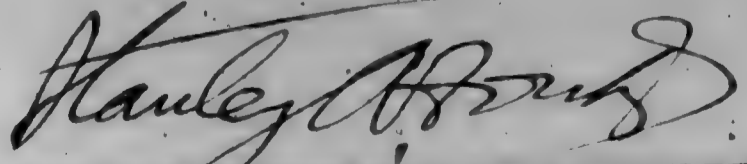

My name is Martha M. Medders; I reside at Anniston, Ala.; I was born in the State of Mississippi in the year 1849, I cannot state in what county or part of Mississippi that I was born as I was brought away from there when I was a very small child. I claim relationship to the Cherokee Indians through my father, Jacob Goldsten Elliott, who was a quarter Cherokee Indian; that is I have always been told that he belonged to the Cherokee tribe of Indians. My father came from Tennessee to Alabama where he married my mother about 1838. I do not know whether or not my father was born in Tennessee but he was raised there. After my parents were married they moved from Alabama to Mississippi, where I was born. From Mississippi my parents, after my birth, moved to Arkansas, where my mother died. After my mother's death my father went back to Mississippi and my grandparents on my mother's side, who were white people, came to Arkansas and brought myself, my sister and two brothers back to Alabama. My grandparents raised us children here in Alabama. My father died during the time of the War and my grandparents told me that when he left us that he was going to follow his people, the Cherokee Indians to the Territory. We know nothing about my father's people. I do not remember of the Indians ever visiting our family or of him visiting them. If my father had any brothers and sisters I do not know of them. The only thing we know about my father's people is what my grandparents told me and that his father's name was Joseph or his brother's name was Joseph, I do not know which. My grandparents often told me that when my father and mother lived in Alabama and the Indians would comethrough here my father would go out and talk with them and eat with and stay with them until my mother would go out and bring him back, as she was afraid of the Indians. This is all I know in regard to the matter.

Dear Sir

We don't exactly understand your last letter. I of course don't know where my father came from. I don't know he was from Tennessee! I was so small of course what I know was told me, and would have to go by that. I can't tell his age either in 1860 or 1870 because I don't know of my own knowledge. My father was a brother of Sgt Sam McCallough and Mr. Hallen who were both representatives with them. I would be thankful if you would answer to explain more fully if possible. When we were at home he told my Grandfather - father - he was going back to his side & that was the last I heard through him.

Dear Sir:- Replying to yours of the 4/27, will say that I was living in Harlan County, Ky. in 1882 where I have been living ever since.

Do not know why my parents were not enrolled in 1851, they resided in Harlan County Kentucky at that time.

My parents were living to the best of my knowledge in 1834-5 in Hawkin County Tennessee, my Grandparents lived in Hawkin County Tenn.

My father fought under George Washington and General Jackson in the "Horse Shoe Battle" and my Mother drew a pension -- Nancy Bowman -- until her death which was about twenty years ago.

If there are any further information you will need you can write and ask for same.

Dear Sir.- Mr. John Bowman-Eastern Cherokee Indian has been into see me regarding his application with you for claim, we had a letter from you July 14 1908 stating that there were some 44,000 applications filed and that it would take some time to reach Bowman's application, Mr. Bowman is getting along in years and would like for you to take up the matter of his application as soon as possible, and wants you to write him, or me as to where you think it will pass or will it be necessary to have additional proof.

Mr. Bowman has talked with several pension agents who have told him that it would be no trouble for him to establish the fact that he is of the Eastern Cherokee breed of Indians, and that his money is sure, but owing to his needy circumstances he wants to see if there is any possible chance of assuring someone that he will get the money so they will feel like advancing him some funds for the necessities for himself and family.

Kindly let us hear from you at once, and give us what information you have a hand regarding his case.

Lear Hudson, after being first duly sworn, deposes and says:

I am 79 years of age; am part Cherokee Indian. I never got any Indian money from the government. I was born in Anderson County, Tenn. From there went to Meigs County and then came out here. We came out here right after the war. I was not brought out here with the Indians. Ten years before the war I was living in Missouri. We went to Missouri from Tennessee before the war. I never got any money about ten years before the war. I used to speak the Indian language. I claim my Indian blood through my mother. She lived with the white people. My father had some Indian blood too. His grandmother was a full blood. He never got any Indian money. He did not speak the Indian language much. I think he was a member of the council when he lived in Tennessee. He always claimed he ought to have some money but never got it. My father was a voter. We moved to Missouri from Tennessee ~~about 1859~~ about 1859. I never got any land or any money. I began trying to get Indian money 17 years ago.

Flora Philips, Indian name, was the wife of George Morris, and also the mother of Permelia Medaline Morris and was born in February 1792, near Cleveland, Bradley County, Tenn.

The aforesaid Jennie Knight further states that she has been taught by her father, William J. Ballard, that her Grandmother, Flora Philips, and her Grandfather, George Morris, were both Eastern Cherokees, and were enrolled, being either in the Treaty of 1835 or 1836, when they left Bradley County, Tenn., and went from that place to Marionsville, Lawrence County, Missouri, and lived there in the year 1851.

Appl. # 32698-32

Robert Graham Pyle being first duly sworn, deposes and says:

My name is Robert Graham Pyle. I live at Reeds, Mo. ~~xxxxxx~~ I was born in 1861 in Dade Co., Mo. I claim my Indian blood through my father, Carter Scroggin Pyle. My mother was born in middle Tenn. He was born about 1825. He lived with the Indians when he was small. I have heard him speak about being with the Indians. I don't know whether he was a recognized member of the tribe or not. I think that he lived in Mo. in 1835-6 or shortly after that. They were driven away from Tenn. to Mo. There were quite a number of Indians driven away with them. They owned land in Tenn. as a community or citizens. They were scattered everywhere. Some went into Ark. and some into Cherokee Nation, I.T. They were only Cherokee Indians. When my father came his parents came with him. My father's mother was related to the Indians. Her name was Hannah ~~xxxxxx~~ Standlee. That was her maiden name. I never made an application before the Dawes Commission. ~~My grandmother and~~ I think my grandmother's father was enrolled. His name was Cyphoris Standlee. I don't know whether my father and grandmother were enrolled or not. I don't know of an Indian name other than Standlee. I suppose he was a recognized member of the Cherokee tribe. I never heard any one say anything about the Treaty of 1835. In 1851 my father and my grandmother were living in Mo.

T. N. A. Gibson, Special Master herein under the order of the Court heretofore made, show to the Court that under said order I have examined the pleadings and proof herein; which are herewith filed and made a part hereof and that I find as follows:

I

That this cause was filed on the 8th day of September, 1896, on which day application was made to the Commission to the Five Civilized Tribes for citizenship by blood in the Cherokee Nation of Indians, that the said cause was tried by said Commission on the 23rd day of October, 1896, and the application denied, no reason being given for the said decision, and that from this decision the applicants appealed to this Court on December 21, 1897

II

That this application was made by Eliza Mayberry, Newton J. Eddings, Amanda F. Lewis, Rosa C. Blankenship, Harvey A. Mayberry, John W. Blackburn, John W. Blackburn, Jr., Andrew A. Blackburn, Emma Shoemaker, Leveny Lovlace, Ophelia Curry, John F. Middleton, Charles C. Middleton, Andrew S. Eddings, Susan C. Foster, Thomas E. Foster, John W. Foster, William F. Foster, Sarah J. Owen, Jane Brown, Mary F. Edwards, Dell Owen, Pleasant F. Blackburn, William J. Blackburn, Andrew F. Blackburn, Sarah H. Jourdan, and Mary Hoard, and her three children, all of whom are the great-grandchildren and great-great-grandchildren of Dave Weaver, who lived among the Eastern Cherokees in what is now the state of Georgia and who is claimed to have been a Cherokee Indian by blood and a recognized member of the Cherokee Nation.

III

That the parties filed in support of their application the affidavits Andrew F. Blackburn, W. J. Blackburn, Thomas J. Taylor, Richard D. Eddings, James B. Eddings, C. R. Harris, John F. Eddings, Samuel B. Hill, Joseph Allsup, Andrew S. Eddings and John Ross, and a certified extract from the Roll of the Cherokee Nation taken in the year 1835, showing that Dave Weaver, his six boys and one girl were enrolled as Cherokees, and that he lived in Cherokee county, Georgia, near Sharp Mountain creek. That the proof shows that Dave Weaver had a daughter by the name of Elizabeth who married a man by the name of Eddings, and that she had a daughter by the name of Frances who married a man by the name of Blackburn, and who was the mother of Eliza L. Mayberry, the principal claimant herein, whose maiden name was Blackburn. That these claimants are residents of the Cherokee Nation, Indian Territory, where they have resided for the past eight years.

The claimants contend that under the showing made by them that Dave Weaver's name appears upon the roll of the Cherokee Nation from the year 1835, they now being residents of the Cherokee Nation, they are entitled to be admitted to citizenship in the Cherokee Nation as citizens by blood, while the Cherokee Nation contends that Dave Weaver's name does not appear upon the Roll of the Cherokee Nation since the removal West to the present location, and that hence under the law applicable to cases of this nature these claimants are not entitled to be admitted to the Cherokee Nation as citizens thereof.

X The premises considered, I find that these claimants are the descendants of Dave Weaver, whose name appears on the Roll of the Cherokee Nation for the year of 1835, that the proof does not show that the said Dave Weaver ever came to the present Cherokee Nation, or was enrolled here as a member thereof, that these claimants are persons of Cherokee Indian blood and descent, and that they are now residents of the Cherokee Nation Indian Territory.

I respectfully ask that the court will allow me a reasonable fee for my services herein as Special Master.

Respectfully submitted this ___ day of _____ 1897

Special Master.

FOR MINOR CHILDREN

For share of money appropriated for the Eastern Cherokee Indians by the Act of Congress approved June 30, 1906, in accordance with the decrees of the Court of Claims of May 18, 1905, and May 28, 1906.

Nannie M. Epperson, --- being duly sworn, deposes and says:

My name is Nannie M. Epperson. My age is 44 years. I live in this District. I was born and raised in East Tennessee, in Granger County. I have been here 17 years. I was enrolled by the Dawes Commission. I made no application. I was never enrolled before. I claim Cherokee blood. I got my blood from my mother's side. Her name was Martha Cardwell was her maiden name and Harrell her married name. She is dead. She never came West. She lived in Tennessee but I do not know whether she was born there or in North Carolina. My grandmother lived in North Carolina. My mother was very small at the time they moved to Tennessee. My mother must have been about 80 when she died. She has been dead about 7 years. I do not know whether she was enrolled in 1851, but some of them probably were. I do not know whether she was on the Roll of 1835. I never heard my mother say anything about receiving any money from the Government. I don't know whether any of them were parties to the treaties of 1835-6. I do not know if any of my people were Old Settlers. They never said anything about receiving Old Settler money. I do not know whether they were regarded as Emigrants. If my people were enrolled they were enrolled in the East. I don't know of any good reason for their not being enrolled if they were not. My mother's mother's name was Sallie or Sarah Brouder, or Crowder. Her married name was Cardwell. I don't know whether she was ever enrolled. I do not know whether they ever associated with any other tribe of Indians. My mother's brothers were Peter and Jim Cardwell, & Bill. I do not remember any brothers and sisters of my grandmother. My great-grandmother was Mildred Wilkerson, and I think she lived in North Carolina. There was George Wilkerson who lived here and died here, who I think was a brother; and also a John and Tom I think, were other brothers. Mildred Wilkerson married a Crowder. George Wilkerson's lived in Tahlequah District, as far as I remember, and was Mildred's brother. John and Tom, I think, were brothers of George Wilkerson. I don't know what District they lived in. ~~There were also~~ Polly Ceily and ~~Miss~~ Nannie were sisters to my great-grandmother. I suppose they were near full-bloods. I have reason to believe that George Wilkerson's father was the Indian.

William Harrell, - being duly sworn, deposes and says:

My name is William Harrell. My age is 60 years. I live in Coo-wee-scoo-wee District. Have lived here 23 years. I have known Nannie Epperson ever since she was a child; she is my sister. She was not enrolled by the Dawes Commission. I don't know whether she applied. She was not enrolled. She gets her blood from her mother who was of Cherokee blood. Her mother lived in the Cherokee nation, Tennessee. Her mother's name was Martha ~~Wick~~ Cardwell; she married Harrell. I do not know whether she was enrolled and can only say that they went to Tennessee from North Carolina and then came here. Some of them came West but she went to Tennessee. She got her blood from her grandmother Mildred Wilkerson, who went to Tennessee with my mother. I don't know whether she was ever enrolled. I don't know whether she ever came West. I don't know whether any of Mrs. Epperson's people were Old Settlers. I don't know whether they ever drew Old Settler money. I don't know whether they were parties to the treaties of 1835-6 and 1846. She does not claim any through her father. Mildred Wilkerson's brothers and sisters were: John, Tom, Polly, Phemie and Nannie or Nancy Wilkinson. They lived in Tennessee, and part of the Crowders in North Carolina. Martha Cardwell's brothers and sisters were: Mildred, Annie, Matilda, Peter and James, William and John. They all lived in Tennessee and never came West. Sarah Crowder, nee Cardwell, was the grandmother of Mrs. Epperson, and she had no brothers and sisters. I do not know whether any of them are enrolled in 1851. They never received Old Settler money that I know of. My grandmother drew some money but I do not know what it was. I do not know whether they ever joined any other tribe. I was not enrolled by the Dawes Commissioner as they said they did not have the jurisdiction. Geo. Wilkinson told me that his father was John Wilkinson and that his sisters were Polly and Nancy. George Wilkinson lived near Tahlequah. I don't know whether they had Indian names. I don't know whether they had any nick-names. The names are spelled "Wilkerson".

I am inclosing herewith application for Eastern Cherokee money drawn so as to give you Power of Attorney and you can use it as of the date of the former Application already sent you. Also I sent you an application for John P. Welch, deceased son of David Welch, a North Carolina Indian, and if the present Power of Attorney is not sufficient to include that case, am willing if necessary to give you an additional Power of Attorney. I am Administrator of the estate of John P. Welch.

In examining the records of my family, it is likely that you will not find my name as John C. Welch; it is my understanding that I am on the roll of 1851 under the name of James Blythe. Some three years ago I gave you General Power of Attorney and supposed that would be sufficient for all purposes but the blank having reached me I filled out and the same is herewith inclosed.

Yours Very Truly,
